THE LADIES LOVE them, so the guys may think they'd hate them—until they see them dance. It's impossible not to appreciate the talents of Maks and Val Chmerkovskiy, the Ukrainian-American brothers and professionals to beat when competing on ABC's

Dancing with the Stars. Now the two are touring together, stopping at Barbara B. Mann Performing Arts Hall, in a creative expression of their life story. Whether you're predictably swooning or pleasantly surprised, you'll realize these guys are the best of the best. bbmannpah.com

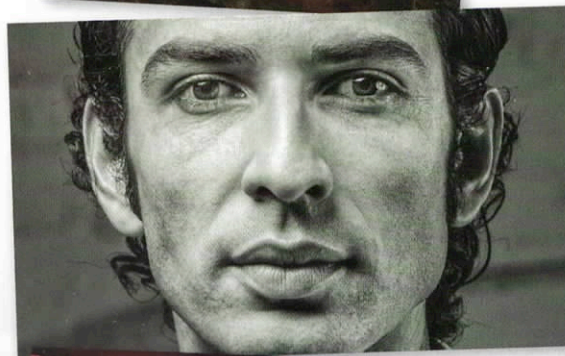

WE KNOW THE TOWN OF NAPLES HAS OFFICIALLY returned to the natives when *SummerJazz on the Gulf* is back on the calendar. The free monthly series held Gulf-side at The Naples Beach Hotel & Golf Club offers the perfect celebration of Southwest Florida summer, particularly its stunning post-storm sunsets and merciful, sea-breezed nights. The fine music—energetic group Pocket Change is on tap for the first of the four performances—is just the cherry on top to remind us all we natives have to do to take a vacation is step outside. naplesbeachhotel.com

SEASON'S END DOESN'T MEAN THE END OF OUR ACCESS TO premier art. Case in point: *Camera USA 2016* at The von Liebig Art Center. Skilled shutterbugs from across the country submit their most stirring works to the juried exhibition. Expect breathtaking landscapes, impactful portraits, thought-provoking close-ups and everything in between. *Pictures in Process*, filled with images taken by Naples Art Association members, runs in tandem beginning June 20 and ending Aug. 5. naplesart.org
